

**GUARANTEED VISES—**  
***That is the YOST kind*** and it is the kind you want

Every proprietor and every workman is interested in doing the shop work as rapidly as possible. The handling of work is helped along by the right kind of tools. No tool is more important than the Vise and the YOST UNIVERSAL WOODWORKERS VISE is the one to buy. We ship it on approval. *Will you give us a chance to make good?*
